Dear Dwane:

Subject: New Products Evaluation Committee Action on RimRiser's – "RimRiser" NPE #2103-8

The New Products Evaluation Committee considered this product. The Committee recommended that the Department classify this product as "Accepted". This product is applicable as a shim-less alternative for cast-iron frames and precast concrete tops. Classifying a product as "Accepted" does not obligate the Department or contractors in any way to use or specify the product. The use of this product is limited to the application for which it is intended.

If you have any questions concerning this matter, please contact Jose Hernandez-Ramirez at the Office of Design Policy and Support at JHernandez-Ramirez@dot.ga.gov.

We appreciate your interest in marketing products that may be of benefit to the Georgia Department of Transportation.

Sincerely,

Patrick Allen, P.E.
State Materials Engineer
