Re: New Product Evaluation, NPE 2021001/*QPL2022055*

Mr. Judah,

The evaluation of RimRiser Adjustable Manhole Ring and Cover, RimRiser Adjustable Catch Basin Frame and Grate, RimRiser Adjustable Rolled Curb Catch Basin Frame and Grate, RimRiser Adjustable Type 1 Catch Basin Top, manufactured by RimRiser in Vancouver, WA has been completed.

The product review indicates that this product meets the requirements of Section 9-05.15(1) and 9-05.15(2) of the 2022 WSDOT Standard Specifications for Road, Bridge, and Municipal Construction and has been added to the Qualified Products List (QPL) as RimRiser Adjustable Manhole Ring and Cover, RimRiser Adjustable Catch Basin Frame and Grate, RimRiser Adjustable Rolled Curb Catch Basin Frame and Grate and RimRiser Adjustable Type 1 Catch Basin Top. A copy of the listings, as found in the QPL, are enclosed.

The acceptance code for this product will be "5140". Acceptance code "5140" states: Acceptance is based on field verification of the 'WSDOT - A' impressed into the casting (A is an alpha fabrication inspectors' identification). Document, in the inspectors' IDR, the fabrication stamp information identifying the inspectors' letter and quantity and either 'F' or 'D' for foreign or domestic steel and/or iron or not marked. If the Contract contains a Buy America clause and the material is marked F or not at all, the PEO is responsible for acquiring a Certificate of Material Origin from the Contractor.

The QPL may be found on the Internet at:  
[http://www.wsdot.wa.gov/biz/mats/QPL/QPL\\_Search.cfm](http://www.wsdot.wa.gov/biz/mats/QPL/QPL_Search.cfm)

If there are any questions concerning this matter, please contact Maha Ablson at (360) 764-0165 – Cell.

Sincerely,

Pat Norton
